AT WORK: *I have a strong desire to influence others so they may lead more significant lives. I often work in the arts, communications, education, and the helping professions. I am adept at motivating and interacting with others.*

IN LOVE: *I seek harmonious relationships. I am a true romantic and believe in perfect love that lasts forever. I bring drama, warmth, and empathy to all relationships. I enjoy the symbols of romance such as flowers, candlelight, and music and cherish the small gestures of love.*

Your Strength is Authenticity.

I value people. Being liked and having everyone around me getting along are more important than are facts, rules, adventure or logic. I am sensitive to others and become uncomfortable when there is conflict or competition. I like to socialize and work with people. I learn best when people care about me and when they give me support and feedback.

As a BLUE, I must find my real self, my unique identity, and live my life as an expression of it. Life is a dream in which I must find meaning. I am sensitive to subtlety and create roles in life's dream with a special flair. I enjoy close relationships with those I love and experience a spiritual side to my nature.

As a BLUE, I look for meaning in my life. I like to get along with people and look after them. I am honest and I like to be told I am doing well. I want to be important in people's lives. I think about the future, a perfect world, good friends, and love.
